

BD-2 Belt Dressing

SafeGard® Spray

BD-2 is an exceptional belt dressing that adds belt life, increases power transfer and improves belt performance. Slippage is reduced as BD-2 adds to the belt-gripping action. BD-2 will not glaze, and does not contain rosin or asphalt. An ideal dressing for wet or outdoor conditions.

SafeGard® - The **SafeGard Spray System** is environmentally friendly because it uses no ozone depleting agents as propellants. A bladder system and air pressure forces the lubricant out delivering a fine continuous spray that can even be sprayed upside down.

Applications

- For all types of Belts: Leather, Rubber, Canvas, Fabric, Round, Flat, V-Belts
- Auto and truck fan belts
- Water pump belts
- Industrial Belt Drives
- Power Transmission Belting
- Farm Machinery Belting

Benefits

- Reduces Belt Slippage
- Added Belt Gripping Action
- Rosin and Asphalt Free
- Moisture Displacing
- Increases Power and Belt Performance
- Prolongs Belt Life
- Prevents Glazing and Buildup
- Ideal for Wet and Outdoor Conditions

Properties

Product Code#:	800165
Consistency of Film:	Dry
Drying time, Minutes:	30
Appearance:	Transparent

Revised 10/06 WHC
